SUBJECT INDEX

- abdominal aortic aneurysm
 and acute renal failure 405
 causing anterior spinal artery syndrome 743
 repair followed by renal failure 539
 abdominal hydatid cyst and diagnostic ultrasound 933
 abdominal injuries following splenectomy for trauma 461
 abdominal pain, as symptom of primary gastric lymphoma 325
 abdominal surgery and evolution of the stoma 71
 abdominoperineal rectum excision followed by perineal hernia repair 895
 abnormal pre-operative creatinine levels and renal failure 539
 abstracts of annual meeting of Surgical Research Society of Australasia 261
 academic surgery and the Bachelor of Medical Science degree (ed. comm.) 907
 accidents in children
 cycling 719
 ed. comm. 679
 lawn mowers 713
 acid burns, hydrofluoric, of the hands 88
 acute appendicitis
 and carcinoid tumours 229
 blood tests in diagnosis of 395
 presenting as scrotal abscess 425
 acute dissection of the aorta, imaging techniques 617
 acute pancreatitis, surgical and conservative options in management 775
 acute perirenal lymphocele formation, late presentation after renal transplantation 583
 acute renal failure
 following surgery for abdominal aortic aneurysm 405
 prevention and recognition in surgical patients (ed. comm.) 835
 acute respiratory distress following insertion of endo-oesophageal tube 427
 acutely injured patients, management by trauma team 373
 adenocarcinoma
 at ileostomy site, causing bowel obstruction 898
 in Meckel's diverticulum 811
 adhesive dressing for skin graft fixation, Hypafix 479
 adhesive small bowel obstructions and colonic cancer 181
 adjuvant therapy
 for breast cancer 761, 767
 chemotherapy 105
 for malignant brain tumours 831
 adrenal medullary hyperplasia, kindred with multiple endocrine neoplasia 683
 adrenal tumours and pre B-cell markers 79
 adrenergic blockade
 in multiple endocrine neoplasia 683
 in pheochromocytoma 691
 advanced breast cancer, sequential alternating therapies 869
 advanced head and neck cancer, craniofacial surgical resection 523
 aesthetic plastic surgery, suction lipectomy 631
 aetiology
 of branchial cysts 949
 of head and neck cancer, viral and genetic factors 367
 of Kienböck's disease 92
 of visceral artery aneurysm 329
 airless abdomen in oesophageal atresia 707
 albendazole for recurrent hydatid disease 665, 933
 amputation stump infection, reduction by antiseptic pre-operative preparation 637
 anaerobic infections, prevention and treatment by metronidazole 953
 anaesthesia
 halothane, risks of 5
 complications of 5
 anal sphincter, manometry for measuring postoperative competence 697
 anastomosis
 for intestinal atresia 151
 leakage causing pelvic collections 339
 anatomical variants of oesophageal atresia and tracheo-oesophageal fistula 707
 aneurysm
 complicating patch aortoplasty for repair of coarctation of the aorta 748
 of the visceral arteries 329
 surgical repair of rupture 329
 angiography for aortic dissection 617
 angiomyolipoma of the liver 969
 anterior spinal artery syndrome caused by infrarenal aortic aneurysm 743
 anticoagulant therapy, causing exacerbation of gastro-oesophageal bleeding 430
 antidiuretic hormone secretion in neurosurgical patients 173
 antiseptic pre-operative preparation for amputation 637
 aortic aneurysm
 associated with aortic valve regurgitation 611
 incidence, anatomy, aetiology and management 743
 repair 539
 aortic dissection, imaging techniques 617
 aortic reconstructive surgery, followed by paraplegia 877
 aortic rupture, paraplegia following surgery of descending thoracic aorta 877
 aortic surgery 539
 blood salvage 67
 aortic valve regurgitation and ascending aortic aneurysms 611
 appendiceal tumour 229
 arachnidism 507
 arm injuries, replantation of radial forearm tissue 184
 arthrodesis of the knee, Huckstep nail for salvage of infected knee replacement 147
 ascending aortic aneurysms and aortic valve regurgitation 611
 aspiration biopsy
 salivary gland lesions 47
 assessment of survivors of major trauma accidents 465
 atresia, intestinal 151
Australian and New Zealand Journal of Surgery, RACS Foundation Scholarships 198
Australian military surgeons 731
 autografts, use of keratinocyte culture techniques 485
 autologous blood, D-dimer levels 67
 automobile driving accidents 15
 autotransfusion
 blood salvage 67

- Bachelor of Medical Science degree and clinical research 907
- bacteria and gallstone nucleation 571
